Office Action Summary

Art Unit: 1711

1. An amendment has been filed on May 26, 2000 (paper no 5).
2. Rejection of claims 1, 4, 6, 8, 9, 11, and 12 under 35 U.S.C. 112, second paragraph (see office action paper no. 4, section 1) is now withdrawn.
3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Merrill (USP 5377760) in view of Messenger (USP 4579668) or Parsons (USP 2119829) further in view of Clamfitt et al (USP 38458322).

This rejection is incorporated here by reference from section 4 of prior office action, paper no. 4).

Applicant's arguments filed May 26, 2000 (paper no. 5) have been fully considered but they are not persuasive.

On page 7, paper no. 5, the applicant argues that all above references teach addition of reinforcing materials in fluids while instant claims require them to be mixed dry. This difference has already ~~been~~^{been} pointed out by the examiner in the office action. The examiner has also provided a motivation to use a dry mixture (please see page 4, paper no. 4, paragraph 2) in the gcl of Merrill. Applicants' arguments are therefore not persuasive.

Rejection of claims 1-4, 7 and 11 under 35 U.S.C. 102(b) (please see section 6, of paper no 4) is now withdrawn.

Art Unit: 1711

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
